

## **What is The Towcester Museum Project?**

The Towcester Museum Trust is a registered charity founded in 2003 and dedicated to providing a quality museum & visitor centre for Towcester. Located in the courtyard of a former Georgian coaching inn in the heart of historic Towcester, the museum will provide a centre for tourism and historical information for the district and a much needed focal point for the exhibition, display and interpretation of the history of the Towcester district.

This heritage project will comprise:

- A series of modern museum galleries
- A tourist information and visitor centre
- A venue for temporary exhibitions
- A museum shop
- An educational & research facility
- A facility for preserving local historic archives & artefacts

Once complete the Towcester Museum Project will provide an important amenity and heritage asset that will greatly enhance commercial and community activity within the town.

## **Why Do We Need Your Support?**

The Towcester Museum Trust receives no local or national government subsidy and has no external sources of funding. Your support is therefore vital to enable the museum project to develop and flourish. Although the Trust have secured significant funds, much more is required to complete the refurbishment of the building and the fit out of the museum galleries. Your generous assistance will help deliver one of the finest and most prestigious heritage attractions in Northamptonshire.

## **Join the 'Towcester 100 Club'!**

As an important part of our efforts to raise funds for the completion of this project the Museum Trust has decided to found the 'Towcester 100 Club'.

The aim of the 'Towcester 100 Club' is to raise £10,000 for towards the fit out, displays and interpretive scheme for the museum by asking one hundred sponsors to each donate £100 (over the course of a year) towards the cost of this historic venture.
